6 April 1962

Mr. Edward Jones  
Producer, CBS News  
485 Madison Avenue  
New York 22, New York

Dear Mr. Jones:

I have your letter of April 2, 1962, with the enclosed transcripts of the T.V. I find very little here that has any security implications that worry me, with the minor exceptions noted below. I have not attempted, of course, to tidy up the script.

Following are my comments: F-1, beginning with reel 3, 164 pages in all.

(1) F-10 and 11 are rather confused but possibly the actual spoken words are okay. A "not" is necessary in line 9, page 10 and in line 2, page 11, I believe I said China was obviously incensed that Khrushchev visited the United States. Also there is something wrong with the next line.

(2) F-12, last two lines of first paragraph should read "Now if we're going to do more of that, they're going to win". The balance of the paragraph is okay.

(3) F-25, line 6 of my first statement, I believe the word "not" is omitted before "be viewed". I believe the last sentence following this should be omitted as the statement "as it has existed over the years" is subject to misinterpretation since there have been so many changes in boundary.

(4) F-42, I find this page on pacifist movements, etc., confusing and unsatisfactory and believe it should not be used.

(5) F-47, first paragraph, I don't like this paragraph because of the use of the word "re". I should have said the leaders of the Cuban brigade or something to this effect. I suggest this be omitted.

(6) Page P-60, last sentence, first paragraph, I should have said "now I don't mean that you always have to meet aggression by sending American troops, etc. If this or its equivalent does not appear in the sound track script, I would prefer to have this sentence omitted.

(7) P-60, do not use my first response "helpless as it is".

I have no comments on reels 44 and 45. They are largely duplications except that on page 2 of reel 44 there must be some mistake in the first sentence of my second response where I say "it is now all under cover".

I assume you will use the parts or much of these reels that show up best on this particular part of the recording.

I have just spoken with Fred Friendly and told him that I was sending to you these comments on the transcript. I may add that I am leaving with Col. Grogan, whom you met the other day, the entire transcript and my letters commenting thereon. If anything comes up in my absence (April 7 - 13), you could reach Col. Grogan by calling Washington 331-1100, ext. 7076.

Sincerely,
